## TECHNICAL DATA

|                                              |                       |
|----------------------------------------------|-----------------------|
| HRP. Heat-resistant Paint                    | Yes                   |
| Ral                                          | No                    |
| Dual combustión                              | No                    |
| Double Hood                                  | No                    |
| Detachable deflector                         | No                    |
| Ventilated back                              | No                    |
| Rotating system                              | No                    |
| Combustion                                   | L-G-B                 |
| Wall mount bracket                           | No                    |
| Flue pipe to the ceiling                     | Yes                   |
| Spark arrestor                               | No                    |
| Commercial pipe connection diameter          | H 200                 |
| Commercial pipe must be purchased separately | No                    |
| Net weight                                   | 160 kg                |
| Gross weight                                 | 180 kg                |
| Packaging                                    | 1230 x 1230 x 1865 mm |

|             |       |
|-------------|-------|
| Performance | 67%   |
| Power       | 10 Kw |
